Hello from Angi!

Hi there!

I'm Angela, the founder of Angi & Co.

Ever since I can remember, I grew up surrounded by my mother's incredible spirit of hospitality and a love of all things party related. Angi & Co, a full service event planning company based in New Jersey, is an extension of that lifelong love of gathering people in celebration.

Our team of planners and "day of" associates are always looking for ways to ensure each event is unique, custom designed and experiential for all guests. From intimate weddings of 12 to larger weddings of 200+ guests, we never take for granted the very special honor and privilege of planning these milestone occasions for our clients.

This Wedding Services Overview is just the start of our planning journey together. Whether you need us for a part or for all of your planning, we can't wait to work with you!

Cheers,
